Since opening our doors in 2004 at the original farmhouse in Bethlehem, the community's contributions have helped to create a uniquely supportive place for people impacted by cancer. The organization relocated to a beautiful, spacious center in January 2015, continuing to offer quality, comprehensive programming for people of all ages facing any type of cancer.

We invite you to be part of our "home" by designating a gift to the "Building a Community" ongoing campaign to sponsor a block. You can choose to honor or memorialize a loved one, or simply sponsor a block. Names will be recognized accordingly on the wall in the mind/body activity room.
