SPONSORSHIP OPPORTUNITIES

JUNE 16, 2018 • EVERGREEN LAKE, BATH, PA • WWW.CANCERSUPPORTGLV.ORG

WHO IS THE CANCER SUPPORT COMMUNITY?

Cancer Support Community of the Greater Lehigh Valley is a nonprofit organization whose mission is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community. We offer free support programs to help anyone affected by cancer to connect with others, engage in healthy lifestyle activities, and restore hope for a better quality of life.

WHAT IS DRAGON BOATING?

A dragon boat team consists of 20 paddlers sitting two abreast, plus a Cox who steers the dragon boat from the rear and a drummer who sits at the front.

The team of paddlers work in unison to propel the boat forwards from a standing start, the aim being to reach the finish line in the fastest time. Generally a race consists of between 2 and 6 boats.

Teams can be all men, all women, or mixed crews with equal numbers of both men and women. Timing, strength and endurance are 3 key elements of a successful team, the fourth and most critical is teamwork. It is for this reason that the sport has achieved such a high profile around the world.

Spectacular for both participants and spectators alike, dragon boating is the fastest growing aquatic sport in the world. Adrenaline pumping and fiercely competitive, the teams range in experience from years to just a few weeks in some cases. Everyone is encouraged to "have a go" in this exciting sport that epitomizes a team spirit.

WHAT IS THE CANCER SUPPORT COMMUNITY DRAGON BOAT EVENT?

It's a community-wide event that invites people to team up to race dragon boats & raise funds for Cancer Support Community of the Greater Lehigh Valley. The day is an opportunity for co-workers, families, & friends to unite as a team in a dragon boat. They race for charity, fun, & fitness. This will mark our inaugural dragon boat event. We are excited to get the Lehigh Valley community involved with an event that is not found in our area.

WHO BENEFITS FROM THE CANCER SUPPORT COMMUNITY DRAGON BOAT EVENT?

Everyone involved benefits! Spectators are entertained & inspired by activities presented at Evergreen Lake & the races on the water. Our sponsors receive enormous media exposure & lasting good will from their involvement in this community charity event. Best of all, all money raised stays right here locally in the Lehigh Valley. Giving back to our community and keeping all programs at CSC-GLV at no cost. With the help of sponsors, donors, paddlers, and volunteers, CSC-GLV has set a goal of \$80,000 to be raised by the community.

GOALS OF THE CANCER SUPPORT COMMUNITY DRAGON BOAT EVENT

- To raise awareness about the Cancer Support Community programs
- To foster fitness, teamwork, and community giving together in one event
- To create a partnership with our Sponsors for this inaugural year and years to come
