2020-21 ANNUAL REPORT

Fiscal year ended June 30, 2021

Our Mission

The Cancer Support Community of the Greater Lehigh Valley aims to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action and sustained by community.

The Cancer Support Community's programs help people affected by cancer – survivors, caregivers, friends and family – regain control of their lives, reduce stress and isolation, and restore a sense of hope for a better quality of life regardless of the stage of the disease or the type of cancer.

Today, hundreds of people with cancer and their loved ones unite through our programs. People can come at the point of diagnosis, during or at the end of treatment, at recurrence, or several years out of treatment.

The Power of Our Community

The patient experience is at the heart of everything we do. By giving voice to our members' needs, we provide the Support, Education, and Hope they deserve...so that no one faces cancer alone. ®

Dear Friends of the Cancer Support Community of the Greater Lehigh Valley,

One year ago, CSC-GLV pivoted to all-virtual programs. We were nimble enough to change, introduce, and sustain programs that resonated with our members. We offered over 850 programs and spoke with 4,498 people.

And when I reflect on the fears that the dual threats from COVID and cancer produce--isolation, anxiety, fear, and uncertainty for the future--I am grateful that CSC-GLV helped our members struggling with these overwhelming emotions, as well as treatment changes and loss of loved ones.

Because of your support, we were here for them every step of the way.

More than ever, the challenges we've all faced prove the importance of community—and that's where CSCGLV excels: providing support at no cost to thousands of local children, teens, and adults living with the specter of cancer and COVID.

Thank you for taking a look back at what we intend to achieve as we forge on and show that our community is stronger than cancer.

Who We Help

How We Help

Through participation in our programs, people affected by cancer actively engage in their health care, regain control, connect with others, and restore hope for a better quality of life during treatment and in survivorship. Our programs are offered at no cost to cancer patients, survivors, family members, caregivers and friends.

As a result of programs members have experienced the following:

- 100% Members rated their experience as outstanding
- 90% Learned more about their cancer experience
- 82% Felt more connected to others
- 100% Gained something positive from attending CSCGLV
(less stress, sense of hope, less alone, better quality of life)

Resources

Wig Salon - Our special boutique offers fittings for individuals in active treatment to receive a free wig.

LAFF - Life Always Facing Forward - The LAFF program connects cancer patients with a cancer survivor on a one-on-one basis to be there to support them through their cancer journey.

Every Ribbon Assistance Fund - Our emergency fund was established by the Every Ribbon Counts Foundation for the sole purpose of providing emergency financial assistance to people with cancer, their caregivers and family members who fit the criteria.

Cancer Support Helpline - Our helpline provides guidance, resources, and support to cancer patients or their loved ones with a variety of needs – from getting information about cancer, identifying a local support group or just finding someone who is willing to listen. We speak your language!

Cancer Support Source - CancerSupportSource is an integrated cancer distress screening program to help those living with cancer and their caregivers to more effectively manage the physical, social, and emotional stresses of cancer.

Open to Options® - Upcoming Doctor's appointment? Don't know what to ask? This program helps patients identify important questions and sort through information about your cancer treatment options and concerns based on your needs.

Education

"This was my only social connection during quarantine. These programs helped me stay sane while I was otherwise isolated."
- cancer survivor

We host a variety of educational workshops and programs that provide those facing cancer with the tools to manage treatment and recovery as effectively as possible. These workshops are presented by top physicians, nurses, and practitioners to provide the most up-to-date and significant information possible. Educational programs cover a wide range of topics about cancer-related issues.

Frankly Speaking About Cancer® - Physicians, nurses and other healthcare professionals offer empowering presentations on the latest treatment options and medical information.

Resource Library - Our extensive resource library consists of over 100 topics including various types of cancer, side effects, and other cancer-related themes such as financial assistance, nutrition, and pain management. Several materials are also translated into Spanish.

The Biggar Family Center - A designated area for children and teens with cancer or those facing cancer in the family, the JAG Children's Library features books, games, and specialized information, while the JOCA Children's Place nurtures creativity and self-expression for kids as well as adults.

Survivor Summit - A day focused on survivorship/co-survivorship, integrative health practices, managing treatment and side effects, and practical matters such as finances and insurance. The day includes break-out sessions and exhibitors for anyone affected by cancer.

Comfortable In Your Own Skin - A series focused addressing the skin care needs of cancer survivors. Each week will focus on a different topic including safe products, make-up techniques, response to treatment, and scalp and hair care.

HOURS OF SERVICE

Providing support to all people touched by cancer is at the core of everything the Cancer Support Community (CSC) does and is the heart of our mission. We cannot achieve this goal without help. Strong, outspoken, and engaged volunteers strengthen our efforts to ensure that no one faces cancer alone. By getting involved, you become a leader in our organization and an ambassador on behalf of CSC helping make a difference in the lives of thousands of cancer patients and their families.

Volunteers are one of our essential resources, and we are grateful beyond words to the individuals, community groups, and businesses who shared their time and talents with us.

AMBASSADORS OF HOPE

Ambassadors of Hope, launched in July 2012, was created for individuals to serve as a liaison to the community, as well as to be an arm of our fundraising efforts. In the course of the year, the group of Ambassadors will hear a few presentations about the worthy programs that the Cancer Support Community provides, and will vote on which program to direct the money in the Ambassador Fund.
