**12:00 | Butterfly Release**

Just as the butterfly symbolizes transformation, so, too, does the Cancer Support Community of the Greater Lehigh Valley. Through our no cost to attend support groups, healthy lifestyle classes, educational workshops and social connections, we want to transform the lives of people and families affected by cancer.

**Today is a celebration of the lives of those living or passed, touched by cancer or not. Your recognition of these loved ones resonates with hope, and helps us continue to provide services at no cost to support so many on the path to healing.**

**Please be sure to  
check the raffle  
tables on your  
way out to see if  
you are a winner!**
